

FROM THE DESK OF THE A.D.

HELLO FALLS RUN RESIDENTS!

Welcome back to my desk 😊. We are gearing up for a Labor Day Holiday that is looking to bring us impeccable weather over the weekend. I don't know about you, but I think I'm ready for a grilled hot dog already! Labor Day is a well-deserved tribute for those who work so hard and has historically been marked as the "unofficial" end of summer. Here at Falls Run, I hope you plan to squeeze a few more days of Summer goodness out of September!

As we move further into the month, we will be on the cusp of the 20th Anniversary of 9/11. I hope you will join me in Falls Run's effort to **NEVER FORGET**. This year we will commemorate this historic event with a **9/11 Gallery of Remembrance**. 9/11 is a milestone for the families, friends, and colleagues of the nearly 3,000 loved ones lost on that day. For survivors, responders, witnesses, or anyone who followed the news of the terror attacks and offered prayers — it is a day that forever changed us, our nation, and the world.

For two decades we have vowed to "never forget." In keeping with that promise, here at Falls Run we would love a chance to honor your stories & know "***Where were you on September 11th?***"

Remembrance Cards will be available to fill out here at The Center from now until September 8th to share your recollections, feelings and life-changing impact from the moment forever etched in our memories. These cards are also a wonderful place to honor a loved one, service member or tell us the story of your heroism.

We will host a **“Gallery of Remembrance”** from September 9th -13th where your cards will be on display on the windows near the Coffee Bar. We encourage everyone to come in and view them!

To commemorate this 20th anniversary year, it is our privilege to honor your stories. Stories we hope that will inspire you to keep sharing with others and encourage them with the truth that, even in the darkest of times, we come together, support one another, and find the strength to renew and rebuild.
