

Message from the FRCA Election Committee Chair

The nomination period for candidates to fill the four vacant seats on the FRCA Board ends on Friday, Oct. 23.

As of Oct. 15, we have only one confirmed nominee. It's important to understand that any seats that are not filled through the election will be filled through appointment by the new board.

If you are considering becoming a candidate or know of another resident who is, kindly complete the nomination form that was included in the packet distributed to each residence by the management team on Oct. 1. If you did not receive or you no longer have this material, you may access it at fallsrun.org or request a copy from our administrative assistant, Terry Rooney (540-907-4382.)

Thank you for considering serving on the FRCA Board.
